Vision Australia is launching its new annual Christmas in July program

Yum Cha Dragon Chinese BBQ & Restaurant at Docklands is proudly supporting this event by **donating \$2 from every 'Peking Duck Experience' sold in July directly to Vision Australia.**

This Christmas in July campaign for Vision Australia runs from 1st to 31st July 2008.

Vision Australia will also be providing Braille menus for use at the restaurant. Vision Australia supports thousands of people who are blind or have low vision to live their lives to the full.

The "**Peking Duck Experience**" is a **new offering** by Yum Cha Dragon.

It's an experience, not just a meal

A whole duck, with its crispy skin and succulent meat will be presented to the table. It will then be taken away for the Master Chef to prepare. Chef will carefully slice the meat to use for the Peking Duck. He will use the remaining meat in a stir fry combined with fresh bean shoots, kale and spring onions. The bones will be used to flavour a delicious duck broth with ginger, bok choy and bean curd. None of the duck goes to waste!

Have fun with your food

To enhance the enjoyment of the Peking Duck Experience, guests actually prepare the Peking Duck themselves. Platters of duck meat, delicate pancakes, Hoi Sin sauce, and strips of cucumber and spring onion will be placed in the centre of the table. *Then the fun begins!* The menu has instructions & photos on how to prepare Peking Duck and friendly wait staff are also on hand to show you how it's done.
